1. *You:* Hi Dave, Rita and Jessica, thanks for your great show. It is so nice to have you here. How are you?
2. *Group:* Fine, thanks. We are a bit tired because it took about 16 hours to get to Germany with our tour bus. We arrived yesterday at night. But we think that the students liked our show.
3. *You:* Of course, they liked it a lot. The show was so funny! Is my school the first stop of your tour through Germany?
4. *Group:* Yes it is our first stop. The next shows are going to be at schools in Stuttgart and Mannheim.
5. *You:* I have one last question. What do you think about Germany?
6. *Group:* It's a bit cold ... but I like the food and the people are very friendly.
7. *You:* That's nice to hear. Thanks for the interview.
8. *Group:* We also say thank you for inviting us to your school. It was great to be here. Bye!
